During the week two cars collided on Main street, with the result that though the heavy car escaped unharmed, the little one has been taken to the hospital for sick and damaged automobiles. Latest reports are to the effect that it will recover in time.

GO TO CHURCH.

Are you by chance one of the few mortals who are always looking around for something new to learn? Are you one of the limited number who are great enough and wise enough to realize their own imperfections?

Have you mounted sufficiently high upon the ladder of intelligence to crave the privilege of ascending to even greater heights?

GO TO CHURCH SUNDAY.

You will not be the only brainy man or woman in that assembly. You will not even be the only one who is conscientiously endeavoring to stimulate the body, the mind and the soul.

The speakers know a few things—it is possible they may even know as much as you—for their knowledge is extracted from the Great Book, the font of all wisdom.

In any event, their thoughts will touch upon certain viewpoints which perchance may flow into different channels from your own, and therein lies the opportunity for adding to the sagacity and wisdom which lifts you to eminence in the world of men.

There is much yet in this world for us to learn, and still more of the greater and longer life to come.

Go to church Sunday, where it is free for the accepting.

You will be in good company and among friends.

The hand of welcome beckons.

Are you going?
